

February 3, 2010

Dear Members,

As we prepare for the 2010 season, we want to make you aware of a few changes here at StoneRidge. Those of us who live here full time know we are experiencing an unusually mild weather pattern. We believe that the mild weather will continue, allowing us to open the Golf Course much earlier than in years past.

**Golf Course Opening** – We are shooting for a March 1<sup>st</sup> opening (Weather Depending). We will most likely be cart paths or walking only for the first month. Keep your fingers crossed that the good weather continues. If you have any questions please contact Troy Jewkes. The Pro Shop will be open 9-4 most days. **208-437-4653**

**StoneRidge Forum** – For those who participated in the Forum last month we appreciate your input. Some items of interest that were discussed; Verizon Cell Tower, Community Calendar, Emergency Contact List, How to access the Member Area of the StoneRidge Web-Page and a discussion of the Concert Series and our ongoing discussions with ASCAP. We will update all at the February Forum and get a news blast out to all those who are unable to attend shortly after the meeting. February's Forum will be held on the third Thursday of the month, again in conjunction with the Coffee Social. 10 a.m. at the Grill.

**SPOA Board Meeting Change** – The board has changed its monthly meeting time to the third Wednesday of the month. 5p.m. in the Sales Office.

**Restaurant Manager** – We are excited to announce that we have hired Raymond Dilcox as our new Restaurant Manager. Ray is the former owner and manager of the Priest River Inn. He has an extensive background in the Food and Beverage industry including 15 years with Darden Restaurants (Red Lobster, Olive Garden, Bahamas Breeze, etc.). Ray has specialized in restaurant development and training. Ray will be at the February Forum to meet and gather ideas. We look forward to a great year at the Grill.

**Mobile Vet-** We will be scheduling two visits from Dr. Michele Ward, DVM. Dr. Ward specializes in small animals and can handle most procedures. Dates and times will be announced soon.

**CC& R Changes-** Will follow under separate cover.
